Mesa Wa

Details

Join WSU and the Next Generation Tree Fruit Network for an opportunity to learn more about organic tree fruit production. We will discuss:

- Compost and fertility & soil renovation
- Paperwork and Certification

**Speakers:** Mike Brownfield has farmed organic apples, pears and cherries since 1990. Jeff Collins is the WSDA Organic Inspector for North Central Washington. Rick Orozco has farmed apples, apricots, cherries, pears, peaches and nectarines organically for eleven years.

**Registration:** Please RSVP for this event at [treefruit.wsu.edu/events](http://treefruit.wsu.edu/events). Click on the event and then the link to RSVP.

**Next Generation Tree Fruit Network:** Supporting the Future Faces of Farming. We offer educational opportunities for *Young and Next Generation Growers, Managers & Field staff.*

**Thank you sponsors:** North Central

Washington Fieldmen's Association for sponsoring this event.
